PIS – Awarding Excellence

Professional Investment Services would like to congratulate Brad McGuirk on winning the 2007 Planner of the Year at the Groups 11th annual conference hosted last month at the Sutera Harbour Resort, Sabah.

This distinguished award is judged by the PIS Executive Committee, Robbie Bennetts (CEO) and Grahame Evans (MD) inclusive, and is based on a combination of factors that include production, compliance, ongoing activity, business growth, support of group product and advocacy of the Group.

Brad has been an authorised representative of Professional Investment Services, which has recently been published by IFA as Australia's largest financial services group, since January 2001. Professional Investment Services has the largest network of accountants, financial advisers and life insurance brokers operating in over 1300 offices throughout Australia.

Brad's specialist financial planning practice, Piccadilly Financial Group, aims at providing clients with quality financial advice with a core expertise in wealth creation .

Piccadilly Financial Group was formed by founding Principal Brad McGuirk, who has worked in the industry since 2000.

Piccadilly Financial Group offers 'tailored solutions' and employs 16 staff that are supported by the paraplanning and technical team at Professional Investment Services.

Areas of advice include:

- Wealth Accumulation
- Retirement Planning
- Superannuation including Self Managed Superannuation Funds
- Small Business Succession Planning & Advisory Services
- Risk Insurance
- Lending

Brad is a strong supporter and well known face amongst the PIS Group. As a member of the PIS Platinum and Global Club, (an high echelon club for advisers earning \$1 M and above) he is regularly invited to attend advanced workshops held offshore and at the Queensland Head Office that help provide the Group with future direction and strategy.

PIS would like to congratulate Brad on achieving a high status within the PIS Group as well within the Australian financial planning industry.
